

COVID-19

Now that we are resuming sports and with it the excitement of education-based athletics, we must keep in mind that the health and well-being of our students, their families, coaches and officials is of utmost importance. The following guidelines for the Diocesan Schools participating in the Parochial Athletic League during basketball season are designated here:

Outdoor Athletic Events -

- 1) Coaches - paid or volunteer - must be vaccinated
- 2) Masks are not required when outside. We encourage spectators to wear a mask while on campus.

Indoor Athletic Events -

- 1) Coaches - paid or volunteer - must be vaccinated
- 2) Coaches - are required to wear a mask
- 3) Athletes - are not required to wear a mask during practice, conditioning or competition. Athletes not actively involved in the game (bench personnel) are required to wear a mask.
- 3) Transportation - all persons being transported to an athletic event must be masked while in the vehicle.
- 4) Spectators at the indoor events must be wearing a mask. This includes scoring table personnel.
- 5) Officials are not required to wear a mask during the game but must be masked at other times.

We understand that the parameters of the virus can change, and these rules may be modified by the Department of Catholic Schools at any time as updated guidance comes from CDPH.
